

SPRING 2023

## Educator Update

### Youth Art Month | March 9 - April 6

The Arts Center is celebrating Youth Art Month by exhibiting the work of local students in our galleries. The Youth Art Month exhibition is open Monday - Friday, 10 am - 5 pm, and admission is free.

### Spring Break Camp | April 3-5

#### In the Mix with Amber | 3rd-7th grades

This 3-day painting and mixed media camp will focus on different materials and how they can work together! Registration information at [artscenterofmoultrie.com](http://artscenterofmoultrie.com).

### Summer Camp Scholarships

Did you know that each Colquitt County elementary school gets 10 summer camp scholarships? Nominate a student through the school counselor's office. Selection based on both artistic talent and financial need.

### Summer Pop-Up Art Projects

Where will The Arts Center be this summer? Wherever the kids are! We'll be hosting free weekly pop-up art projects throughout the community. Know of a neighborhood that would benefit from a pop-up visit? Want to volunteer? Contact us at 229.985.1922 to get involved.

*The Arts Center of Moultrie is here to help educators like you integrate The Arts into your classroom! Visit our NEW educator resource page at*
